Micro Wedding Offerings
Uncomplicated. Intimate.

MICRO WEDDING PACKAGE

We want your day to be absolutely perfect.

Our team will work with you to ensure that every detail is in place for your special day and best of all, we allow you to work with vendors of your choice.

Our Micro ceremonies include exclusive use of Langtry Walk for your ceremony and wedding photography. Receptions can be “added on” to ceremony offerings as per below. Blackout dates may apply.

With a smaller, more intimate wedding experience, Langtry Walk can offer you many unique and beautiful locations for your ceremony, reception and pictures.

The Meadow

A beautifully manicured hedge-lined lawn that makes for an ideal location for your ceremony, lawn games and more. (stage has 40amps of power available)

The Trestle

This unique covered outdoor area is lit with Edison string lights and makes an ideal location for your summer cocktail hour or, a stunning location for smaller ceremonies. The Trestle can also be furnished as an extension of your event design and make a great area to shelter from the sun or inclement weather.

Grand Hall & Harvest Room

Combined, these areas are great for accommodating all events at Langtry Walk. The Harvest Room dining area is ideal for your seated dinner and then dance the night away in the Grand Hall.

The Den, The Parlour & the Mezzanine.

Two beautifully appointed rooms to make preparations while enjoying a relaxing atmosphere before heading to your ceremony. Both, the Parlour and the Den are made available throughout the day/evening should you like to have some quiet moments to reflect upon the day's events. Please note, the upper mezzanine has a capacity limit of 16 people and should be limited to the wedding party only during the reception.

The Woodshed.

This covered outdoor area is lit with Edison string lights and makes an ideal location for your cocktail hour of first dance. The Woodshed can also be furnished as an extension of your event design and make a great area to shelter from the sun or inclement weather.

This service is an add-on and additional rates will apply.

Micro Wedding Rental Requirements:

5 Million Liability Policy

This can be purchased through any insurance company. Proof is required 2 weeks prior to your event.

Special Event Permit (SEP)

This is required for all events where alcohol is being served. Self-bar service is not permitted and all alcohol must be served by a certified bartender, caterer or individual with proof of SEP. *It is the responsibility of the Client to apply for the SEP.*

Catering

No home food preparation for your guest's consumption is allowed. All food must be prepared in an approved certified kitchen by one of our recommended caterers.

Micro Wedding Rental Requirements: *continued.*

Shuttle Service

This service is not provided by Langtry Walk however; it is highly recommended if your event involves consumption of alcohol. Our team will help you coordinate these logistics if needed. While parking is available on site for a maximum of 25 standard vehicles, we suggest allocating these spaces to guests with mobility issues, seniors, guests traveling with small children and vendors. Parked vehicles do take away from the natural beauty of the venue (and your wedding photos).

Langtry Rentals

We have been busy collecting treasures! If you are looking to add some retro/vintage character to your event design, please review our website for an array of speciality staging and prop rentals. Be sure to talk to us about what you are looking for, chances are, we might just have it! We are always adding to our collection so, check back often.
